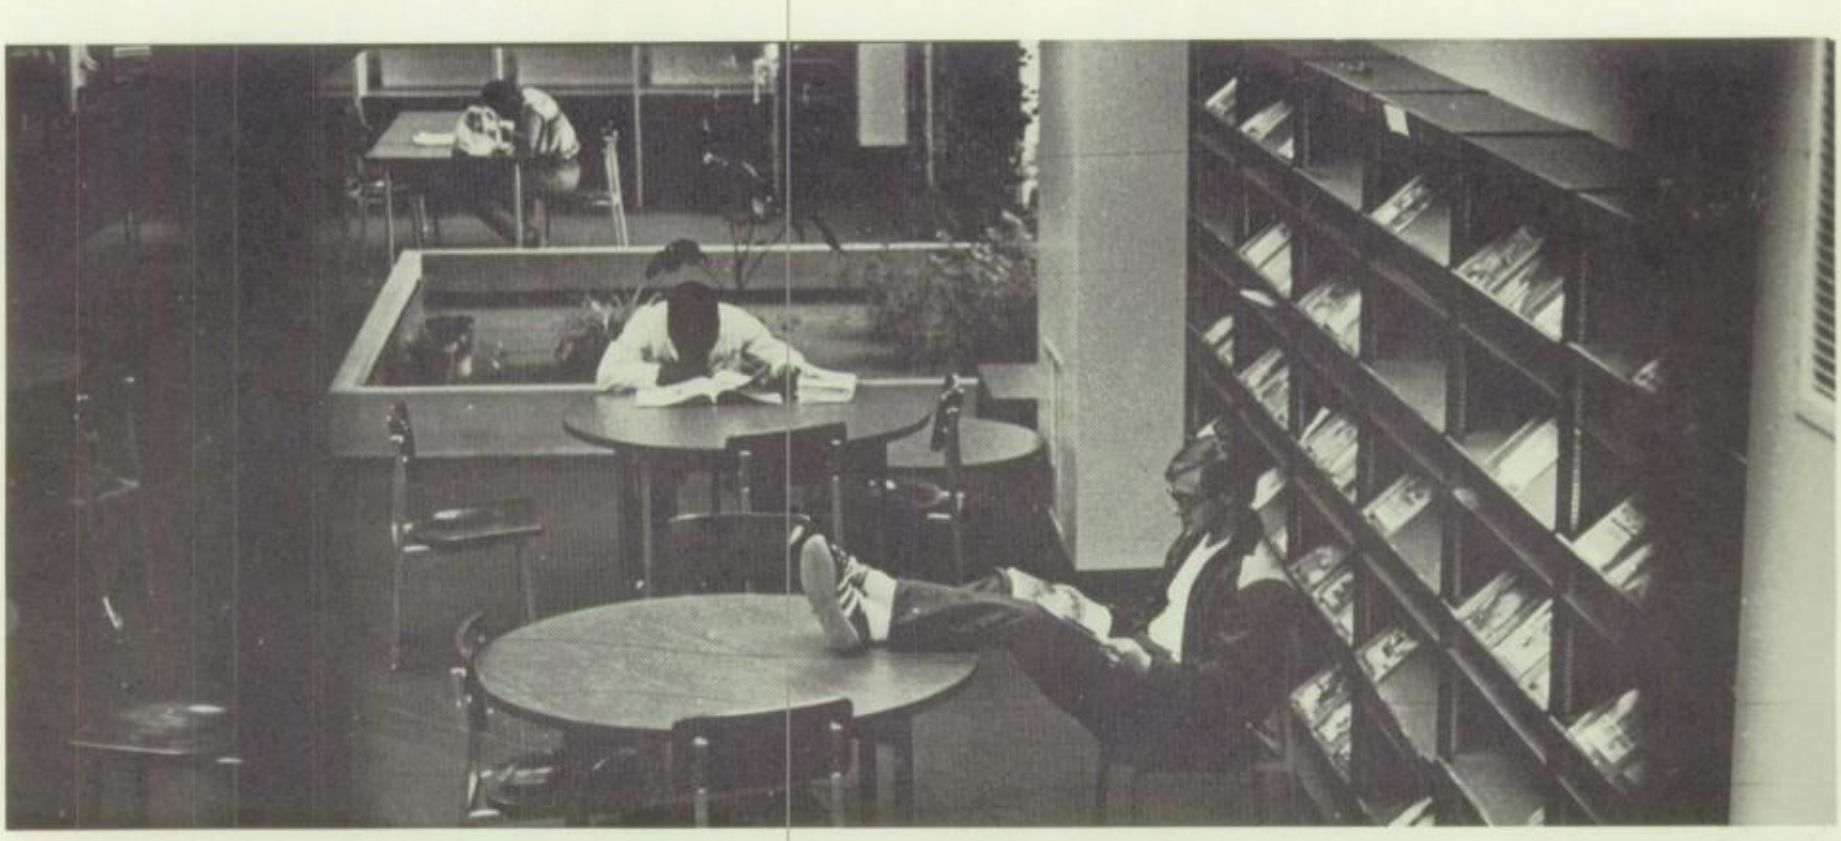
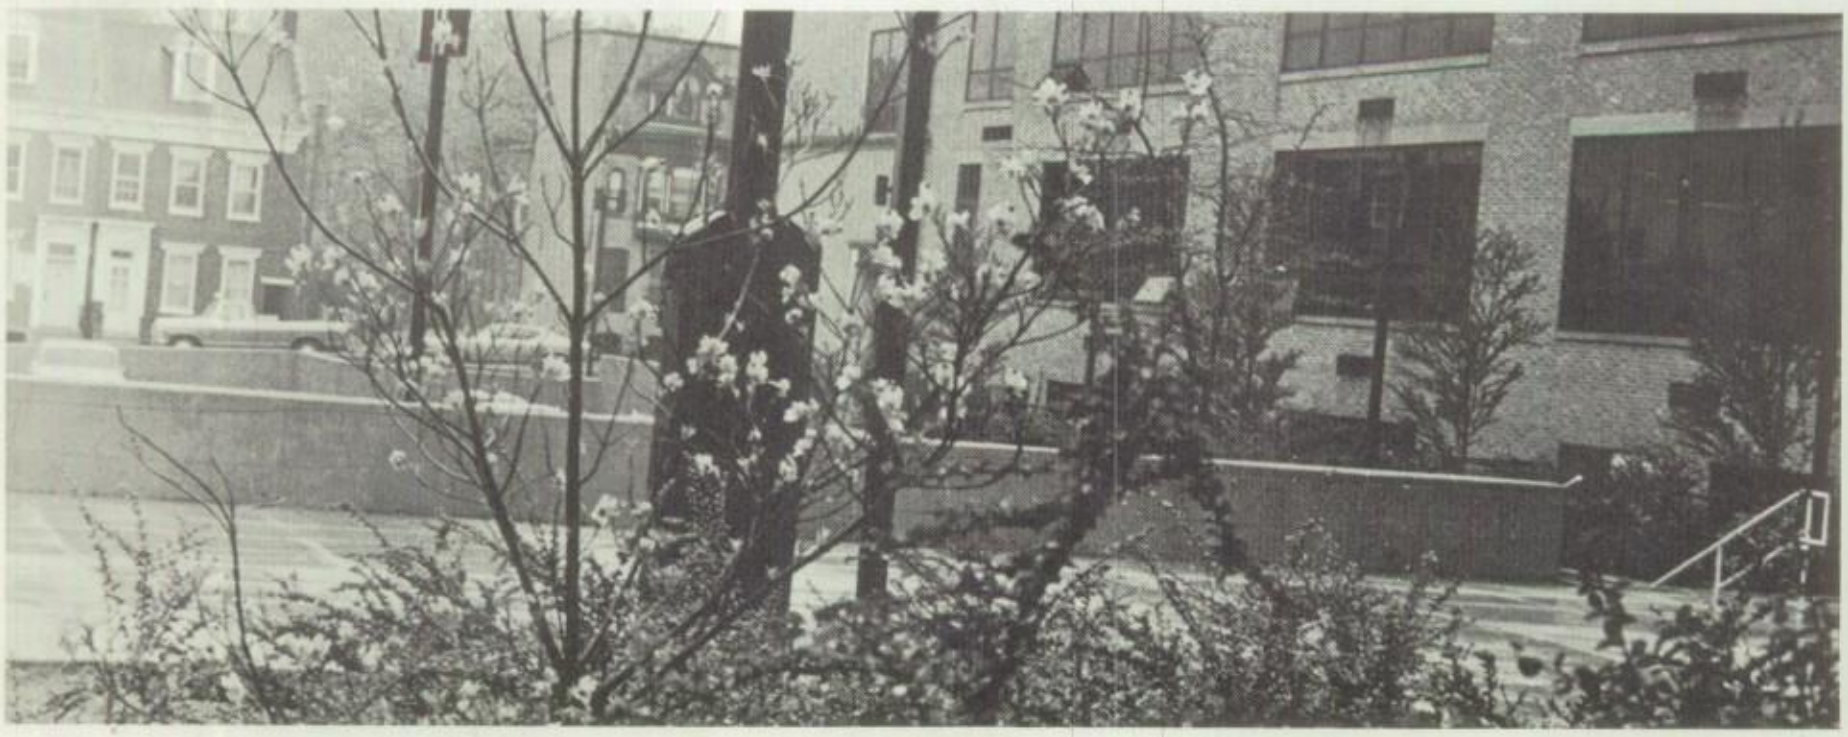
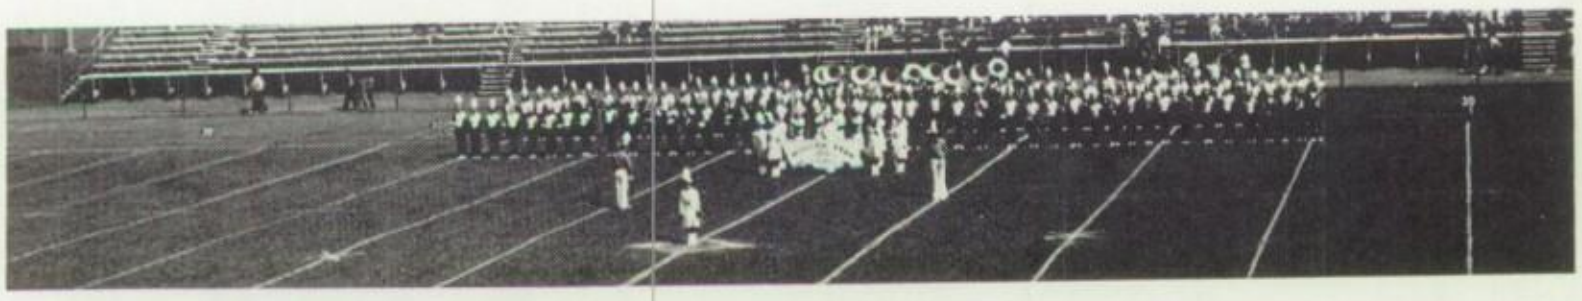
" What you will be, you are now becoming. "

In the solitude of our minds,

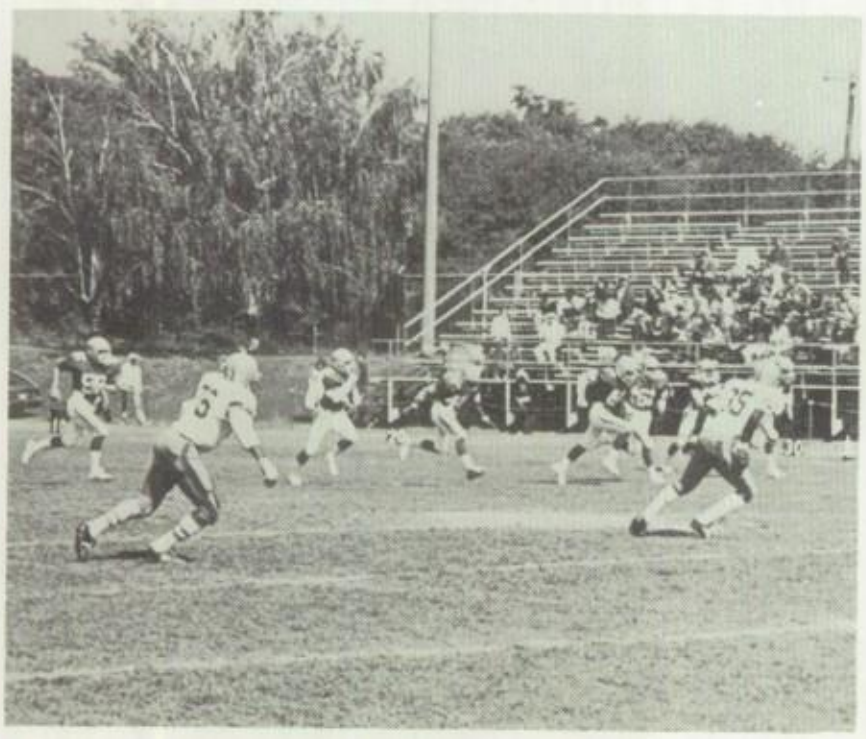


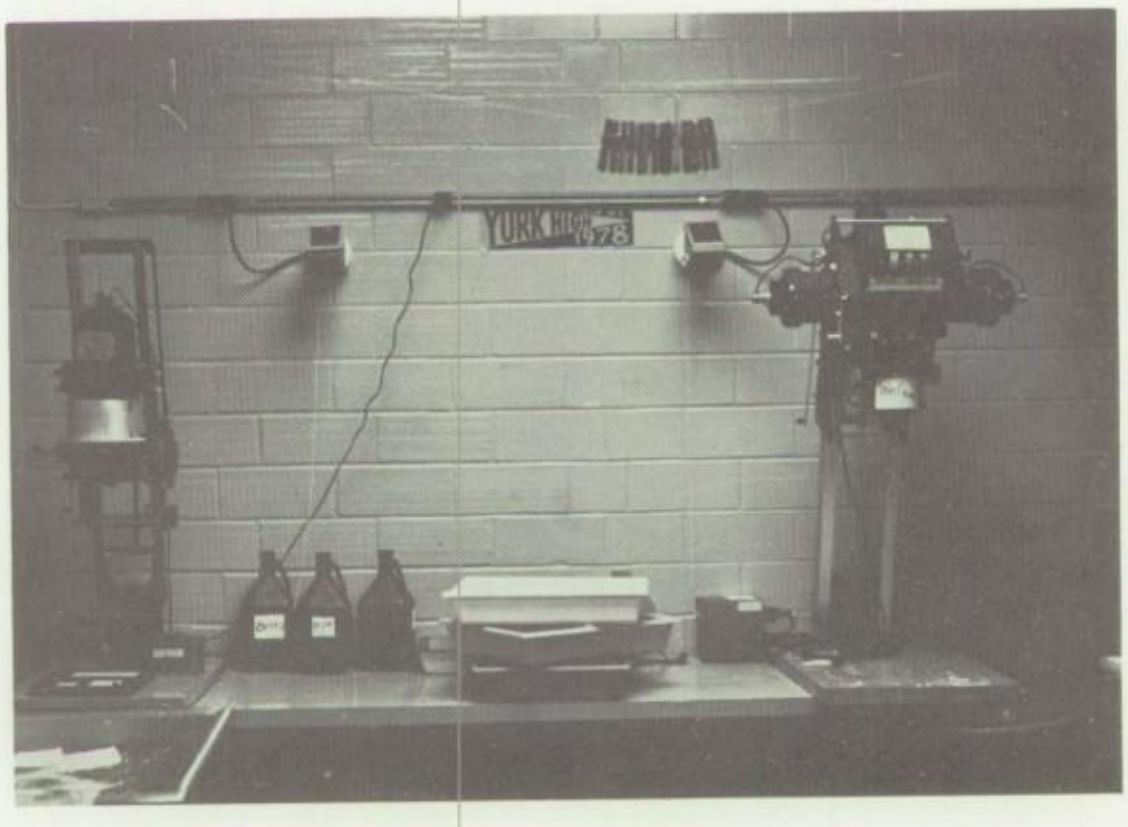




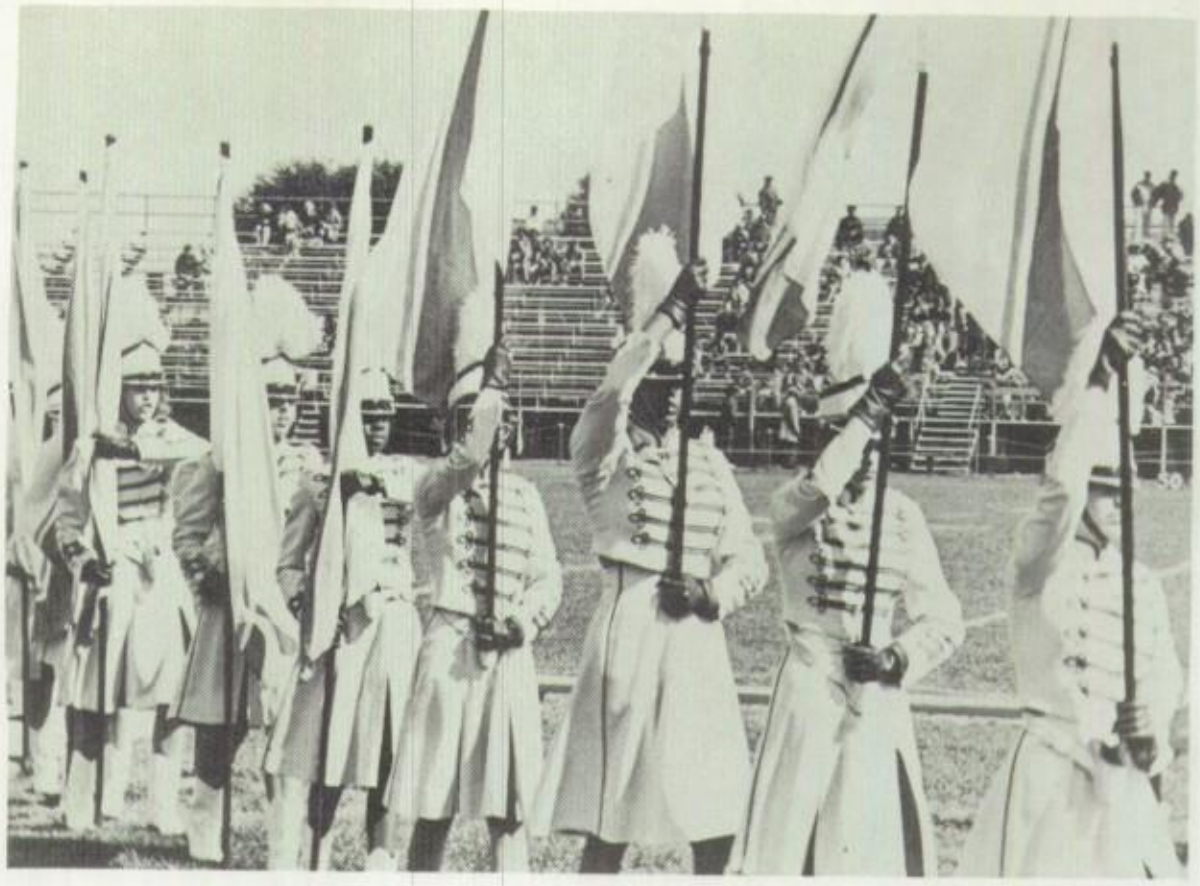
" Nothing is a waste that makes a memory. "

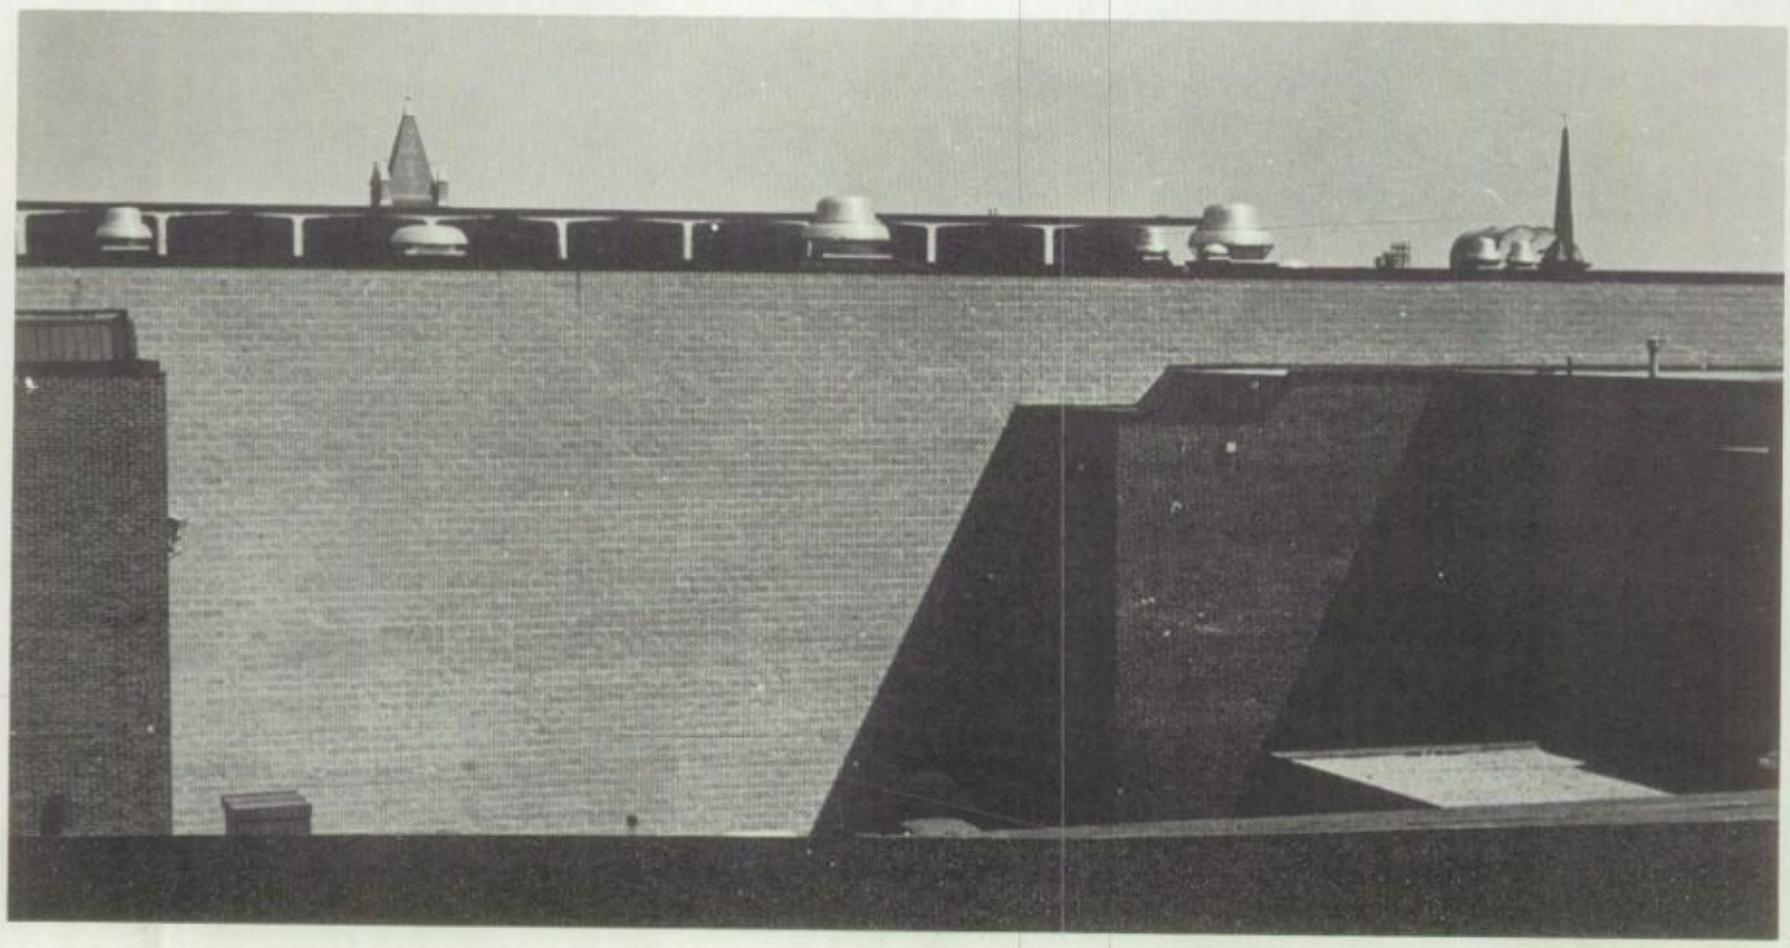
WILLIAM PENN
SENIOR
HIGH SCHOOL
YORK, PENNA.

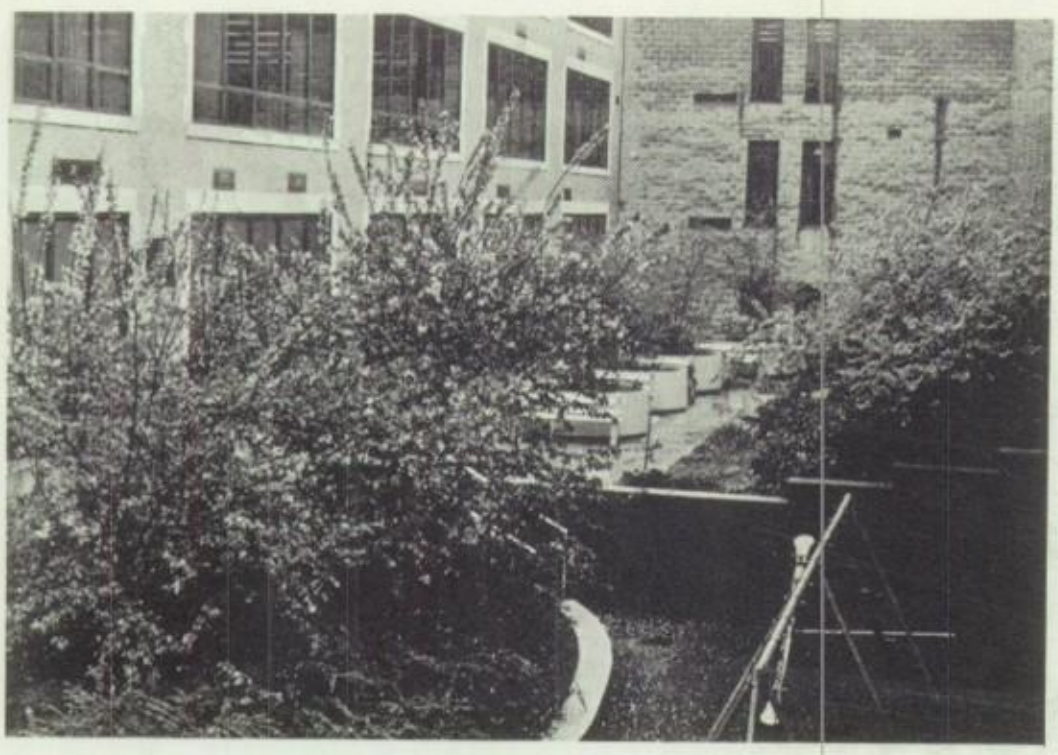




YORK HIGH







TO OUR ELDERS WE ARE THE YOUNGER GENERATION, TO THOSE YOUNGER WE ARE THE COMING GENERATION, THOUGH TO US WE ARE THE GENERATION OF ALL GENERATIONS. WE ARE NOW, YET WE HAVEN'T REACHED OUR PEAK OF SUCCESS. WE ARE ONE, THOUGH TOGETHER WE MAKE MANY. WE ARE STRONG, IN MIND, IN MUSCLE, AND HEART. WE ARE WISE, AND WE SHALL STRIVE TO ALWAYS CHOOSE THE RIGHT ROAD. WE ARE MIGHTY, AS WE WALK WITH OUR HEADS HIGH. WE ARE TOGETHER, AND WE SHALL ALWAYS WALK HAND IN HAND. WE ARE SENIORS, AS WE HAVE SHARED THE SAME FOUR YEARS. WE ARE HERE, AND OUR MEMORIES SHALL LIVE ON FOREVER. WE ARE LOVED, BY EACH OTHER AND BY ANYONE EXISTING. WE ARE A MONOPOLY, AS WE RULE THE RANKS OF POSTERITY. WE ARE A CLASS, THE CLASS OF 1979. WE NOW STAND TALL, AS THE TIME HAS COME FOR US TO DEPART. WE SHALL NOT BE FORGOTTEN, AS THE YOUNGER GENERATION WILL PASS OUR WAY, JUST AS THOSE WHO HAVE ALREADY DEPARTED PASSED THIS WAY, THEN WE WHO WILL BE GONE CAN LOOK BACK AND PROUDLY SAY THAT WE ARE
THE GENERATION OF GENERATIONS.

Treasure Island

Lisa Contras, Axel Rivera, Cindy Mathison, Tracy Shirey.

This year's children's play, "Treasure Island," was a participation play in which the audience (York's fifth graders) took part. The children in the audience were extremely excited with the chance to be on stage. At the end of the play, the players went into the audience, mingling with the children signing autographs for the happy young audience.

JOY

This years Christmas Dessert Theater was a rock musical entitled "Joy". Performed two years ago on the York High stage, its return was somewhat of a new adventure. This year the show was performed seven times: twice at York High, once at Hannah Penn; once at West York, and three times at St. Matthews Lutheran Church. Everywhere "Joy" was performed the crowds were very receptive. The enthusian of the cast was reflected in the all out effort they gave at rehearsals and shows alike.

"Once a year" dance.

The final production of the school year was the Pajama Game, presented February 23 and 24. This Broadway hit was the swan song of the seniors, who gave it all they had.

The show had all the ingredients of a hit; sex, violence, and harsh language. These three elements coupled with a super cast, and the dedication of Mrs. Sutton, and Mrs. Donley made for a great show and a great time for all.

THE SPEAKERS

The Speakers Club was formed this year for students interested in public speaking. Members wrote speeches in the areas of poetry, praise and persuasion. Members of the club then participated in the Mansfield College Speech and Theatre Festival. Many of the members returned from the festival with certificates for excellence in public speaking.

Volunteers Develop Long Range Plan

Nearly 60 York City residents ave become involved in helping 'ork City School District plot its ong Range Plan, a five-year projec- on of strengths, weaknesses and ecommendations required by the tate Department of Education, ac- ording to district assistant superin- ndent J. Richard Eckenroth.

Some of the volunteer planners present community agencies, but any are private citizens, reports ckenroth, who is coordinator of

Eckenroth noted that community involvement in such a project not only helps get the job done, but better informs participants about the public school system and actually makes their opinions known to the Department of Education as well as the school board.

"We could have staffed these subcommittees with teachers, district personnel and board members, and made a fast, easy process of Long Range Planning," Eckenroth

GOD SAVE THE QUEEN! and Cheers to you all.

Mr. Paul Osborne at home.

YOU ARE NUMBER ONE!

I decided to apply for a government-sponsored exchange teaching post in October 1977. Five months later, I heard that I had been accepted, and that I would be coming to York High as an English English (sorry, Language Arts) teacher. Another five months of detailed planning then followed and finally, at the beginning of last August, I left the mother country with my husband Paul.

In many ways I will be sorry to return home to London (which, incidentally, is not all fog and warm beer) at the end of this summer. Although it has been hard work, this year has been a lot of fun, and I will remember my time in that British outpost, E310, as a very rewarding experience. I will really miss such comments as: "You talk funny"; "Is London near England?"; "Who ever heard of a teacher who wears a Snoopy watch!" Seriously, I have gained a lot from working with York High students and faculty, and both Paul and I have enjoyed being involved in, and learning about, the American way of life. Thank you for making us feel so much at home.

My very best wishes to the super class of '79, and to all those with whom it has been my privilege to work this year.

This year has been a great adventure for me. It's really been a good experience, I'm get to know a different way of life, customs and people that I couldn't realize just through television, newspapers or magazines.

Fall, snow, Thanksgiving, Hallowe'en and all these parades as well as high school activities like Homecoming, football games, Marching Band and theatre are new for me.

In Brazil most of the time is summer and the school is strictly academic.

I'm very fortunate for having the chance of spending this year in the U.S. It's a beautiful country and I'm sure, in the future, when I intend to come back, there will be lots of new things to see. I'm very glad I joined AFS program. It means a personal growth as well as cultural. I'd like to thank all the students and especially thanks to my nice host family, the Yingling's; my teachers, my homeroom teacher, Mrs. Donley, for helping so much.

Thanks also to AFS, for giving me this unforgetable year.

Hi Everyone!

It gives me great pleasure to share my utmost gratitude on paper with you in as far as my stay in the U.S. is concerned, particularly in York and William Penn.

This year has been full of experiences worth cherishing for as long as I live, and it is because of the people around me that made it what it is. Fabulous!

As the old saying goes: 'Charity begins at home.' I first of all thank my 'parents' Mr & Mrs LeRoy Hunter, Jennyfir and Christan for being what they are. It takes a special kind of people to open their doors to a stranger, especially for as long as twelve months, and give the stranger the hospitality they gave me throughout this year. Even in years to come, when the opportunity avails itself that I come back, I will always remember The Hunters as the family to depend on. Thank you very much.

I am also proud that I happened to be a member of the #1 school, William Penn's student body and I thank all faculty members, My immediate teachers, students and friends for helping in making my stay a successful one.

I thank most of all Mr. T. Tarman, my guidance counsellor for the tremendous help he gave me, the time and effort he spend on me. I really appreciate it.

Once more, thank you everybody. The world would do better with more people of your kind and thus making it a small world afterall!

God bless you
Jackie.

Plagued by two weeks without practice due to the teachers strike and the resignation of many players, the York High Varsity football team was in for one of the most dismal seasons that it would experience. They clawed and scratched with just as much pride as a team worthy of a League Championship. And though win-loss statistics do not record the amount of pride involved, we all know in our hearts that York High's pride shall live on and on.

Lacking size and strength, the JV Football team displayed much poise and style as they took over Central and Red Lion. Although they were defeated three other times, they were close losses, yet they showed the potential needed to become a winning club next year.

Outscoring all opponents by 38-12 should indicate a winning record. In this case it did not. The Freshman Football team managed only two ties, but they showed the material needed to eventually produce a winning season. And next year they should do just that

CROSS COUNTRY

The Bearcat harriers in their third season of YCIAA League action proved to be a good season as Head Coach Sam Eby's runners ended with a 4-6 record. Under the leadership of senior Keith Dorm, Danny Mohler, Greg Paules, Clyde Shearer along with promsing underclassmen, the 78-79 Cross Country team proved to be a good one. On Oct. 23 at the Cross Country YCIAA League Run, senior Keith Dorm finished 20th and sophomore Jeff Paules finished 29th out of a field of 150 from schools around the country.

FIELD HOCKEY

Home matches were held at Honey Run Golf Course. This year Linda Mescan was at her best by winning the YCIAA Qualifying Tournament at Briarwood Golf Course, then by conquering first at District III, she finally added to her success by winning the State Golf title at the PIAA State Tournament at Carlise.

LINDA MESCAN DAY

OCTOBER 16, 1978

Linda Mescan - the 1978 State PIAA champion - is a senior honor student at William Penn. Her career began to flourish in the summer of 1977 when she fired a new course record for juniors - 73- while participating in the State Junior Tournament at Windber Country Club. She won second place in the tourney.

After the State Juniors, Linda entered the Women's State Amateur Tournament and fired another 73 in the qualifying rounds for medalist honors. Again she won second place.

Linda distingiushed herself two other times in 1977 - her first hole-in-one during the York County Women's Amateur and a month later - her second at Hershey Country Club during districts. By then, Linda was well on her way toward building a very successful young career in golf.

At the end of summer, 1978, Linda had won the State Junior Girls championship at Coatesville Country Club, the Women's State Amateur championship, the York County Women's Amateur.

During the 1978-79 school year, Linda was captain of the Bearcats golf team. In competition with the boys, she earned a 10-2 record.

Along with her great talent in sports, Linda is academically talented also. She is an honor student at William Penn, an officer in the National Honor Society, secretary of the Senior Class and Speaker of the House of Representatives. Linda will attend the University of North Carolina at Chapel Hill. We wish her much satisfaction in her future and we are grateful for the honors and distinction she has brought to our school.

During the 1978-79 season, the Varsity Basketball team produced its best season in almost a decade. With a team of highly gifted athletes, Coach Ben Bond aimed his goal for the top, And although he fell short of the top, he did not come out empty handed; the team placed third in the District III Tournament and earned a chance to meet the states' best - proof that the York High Basketball team is still Number One!

FRESHMEN BASKETBALL

The Freshman Basketball team coached by Phil Kessler kept up the winning ways of the Varsity and JV teams by posting a sensational record losing only to York Catholic who hadn't lost a game in over 80 tries. In producing a fine season, they showed the potential needed to return next year as JV and possibly varsity players.

Handling the coaching job was William Schmidt and handling the pool were host of underclassmen with the potential to swim against the best. Although the York High swim team for 1978-79 did not post a winning season, they showed some promising aspects in areas needed. With only a few seniors leaving, the team should look forward to a comeback next year. Diver Amy Hoover was the only team member who earned her way to State competition.

VARSITY WRESTLING

The 1978-79 Varsity wrestlers weren't at their best; there was some good individual talent such as seniors Richie Ness, Ed Foller, Mike Swope, Jim Williams and Jerry Stokes. Chris Touras, a Junior, had a fine year also. The team, coached by a superb former wrestler, Duane Raber, captured a number of medals in tournaments, sectionals and districts.

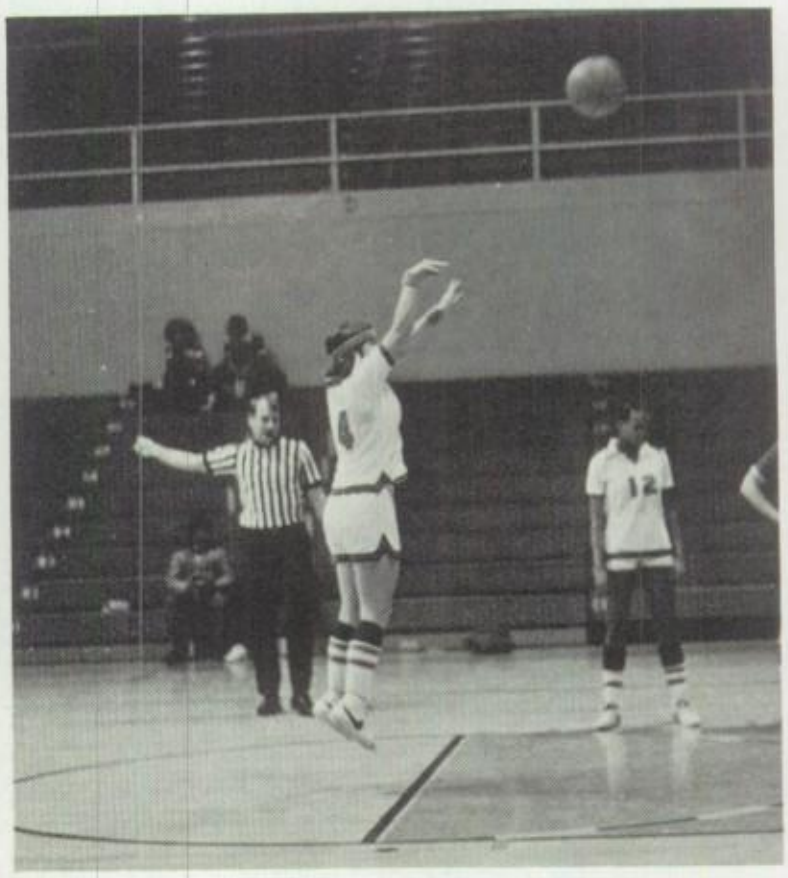
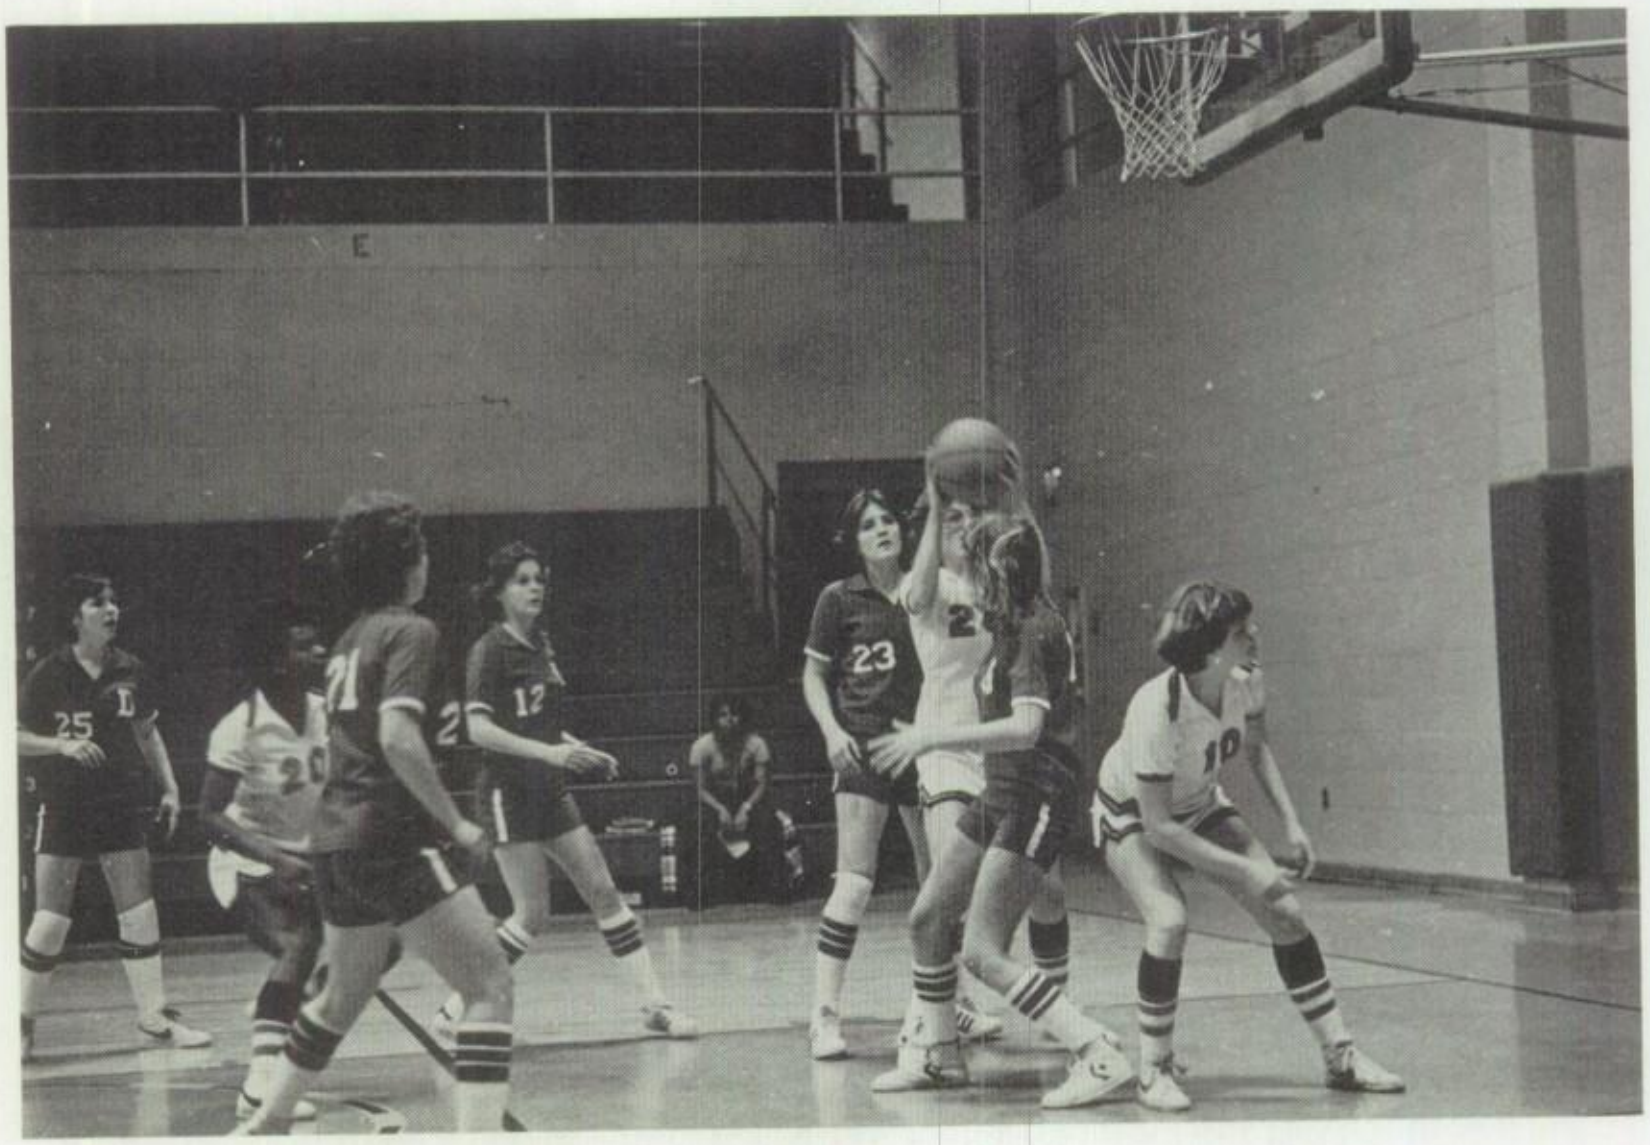
Behind Coach Pat Byerly the Girls Varsity Basketball team, consisting mostly of underclassmen, ran into a drought during the 78-79 season. Posting a satisfactory season the girls will be looking ahead to a better season next year.





The 1978-79 JV Girls Basketball team, coached by Mrs. McNeil, ran up a record good enough to earn them a Division Championship. With very good potential and varsity hopefuls, the team posted a very fine year and will be looking forward to combining with the varsity comebacks next year.

Victory was a reality for this year's volleyball teams on several occasions. The Varsdity was coached by Mr. Parks; Miss Whitall coached the J.V.'s. The season was challenging for both teams.

VARSITY CHEERLEADERS

Their purpose is to promote spirit, enthusiasm and good sportsmanship among the students - they are the Cheerleaders! Cheerleading is a popular activity at York High, it is not, however, and easy one. The season lasts for seven months: through football, basketball and wrestling with pep rallies scattered throughout. To prepare for this rugged schedule the girls practice early in the morning in the gym. The toughest part of being a cheerleader, though, is making the squad. Out of all those who try out, only 40 will make it. The requirments are (1) to be in good academic standing, (2) to maintian a good attendance record at school, (3) to display leadership qualities, (4) to be willing to work hard, (5) to be recommended by teacher and administrator, and (6) to attend tryouts where one is expected to do gymnastic stunts and to perform an original cheer. If one survives the cuts, the rewards are tremendous, even though the responibilities are huge. The advisors are Miss Stellavato and Mrs. Eimerbrink.

SENIOR POEM AND SONG

I enroll.
I graduate.
And now I shall attempt
To continue my education
Even when my desires
Are only dreams in my mind.

I strive with the utmost need
To pick the future that I'll follow
Only when I pause to wonder
do I go beyond limits
of my mind.

I shall form a stepping stone
Which to fall back on
In the event my future might fail
Then I choose another road
In which I will prevail.

I know that when I leave this place
I'll pick my thoughts with care
Whether its a life of education
Or with someone else, my life I'll share.

I go.
A senior.
With me, my memories I will take
Though from time to time,
I'll wonder back

To the place where it all began.

"The heart has reasons that the mind will never know and we see these things in a thousand ways."

The only things you'll regret in this life are the things you didn't do. Have fun, but not too much! Have an open mind - but not so open that your brains fall out. This is the easiest test you'll have all year. You will take the AP test and you will ENJOY the AP test. Ready, willing and Abel! O K, troops!
